FAN

CHALLENGE

**Pledge to live healthier November 1-30
to improve the health of the whole community.**

It's time for the Grizzlies and Bobcats to step up to see who's the healthiest! Support your team by taking our pledge to go healthy and you'll be entered to win tickets to the **big game** or a **Fitbit**. Plus, for every pledge we get we'll donate **\$1** to your choice of local charities, Audubon Center in Billings or the Flagship Program in Missoula. It's easy to play; just pledge to live healthier in November by eating healthfully, getting active, and reducing stress.
