

**Job Announcement:
Teacher Naturalist**

Position: Teacher Naturalist

Location: Billings, MT

Salary: Starting at \$13/hr

Hours: 6 month, temporary position, 20+ hours/week

Start Date: April 3rd, 2023, ending September 1st 2023

***With possibility of long term or continued temporary employment**

Position Overview

Teacher Naturalists form the core of our program staff at the Montana Audubon Center, responsible for implementation of hands-on, experiential, nature-connected education and interpretive programs at our 54-acre site and adjacent Yellowstone River corridor. Participant ages range from toddler to adult, with the bulk of our programming focused on upper elementary students. Teacher Naturalists must be comfortable leading groups of students in the outdoors and themselves have enthusiasm for connecting with and learning about the natural world.

Major Responsibilities

- Conduct school-based field trips during the spring season
- Develop and implement curriculum for weekly themed Summer Camps
- Safely manage program participants in an outdoor environment
- Lead and instruct participants in other various program areas as needed
- Collaborate and communicate effectively with all staff members as a team; i.e. co-teaching

Qualifications

- Comfortable working with elementary age children
- Experience leading groups for both education and exploration in an outdoor setting
- Interest and/or specific knowledge of natural history subjects
- Be a responsible, flexible, dependable, and self-motivated employee
- Be able to spend 80% of the program time outdoors (up to 5 hours)

To Apply

Application deadline is March 7th, or until filled (2 positions available). Please send a cover letter, resume and 3 references to echilcoat@mtaudubon.org with the subject line "Teacher Naturalist Position". For questions, contact Emily via email or call 406-294-5099.
