Thank you for registering your child for our homeschool science class! We will do our best to make sure each class is a fun, productive, and educational experience. Here's what you can do to help:

The First Day

Please bring with you the Parental Consent Form (below) as well as any remaining payment due for registration. The Parental Consent Form indicates acknowledgement of the risks associated with outdoor education, permission to administer basic first aid, indication of medical or behavioral issues we should be aware of, and the names of individuals authorized to pick up your child/children.

Thank you for registering your child for a program at the Audubon Center!

Please bring with you:

- The Parental Consent Form (below) as well as any remaining payment due for registration. The Parental Consent Form indicates acknowledgement of the risks associated with outdoor programming, permission to administer basic first aid, photo release information, acknowledgement that you have read our COVID-19 protocols, and names of individuals authorized to pick up your child/children.
- If your child has any medical or behavioral concerns we should know about, please discuss with staff before the program and/or at check-in. If your child needs an **inhaler, epi-pen, or other medications (either regularly administered or for emergencies)**, please discuss with staff at check-in. **Staff will carry all medications at all times and administer as needed. If medication is administered, staff will record date and time.**

Injuries and accidents protocol

In the case of a serious injury, our first priority is the health and safety of the child, including the notification of parents as soon as possible. If the injury is relatively minor, staff will administer appropriate first-aid and inform parents at the end of the day.

Please send with your child

Exploring nature is a dirty job. Please dress your child in play clothes. More than one layer works best to accommodate for changes in weather and activity level. **We will get muddy and wet**, even in the best of weather, we promise. We require that children wear **closed-toe shoes or sturdy sandals or boots - no flip-flops**. Please apply sunscreen and insect repellent if desired *prior to* arrival on site.

A small daypack or backpack with the following:

- **A water bottle (can refill on site)**
- Appropriate **clothing** for the weather (hats, jackets, etc...dress in layers!)
- **Closed-toe shoes**
- **Sunscreen and/or bug repellent** (Staff keep a reserve of sunscreen/bug spray to be used in special situations only)

Pick up and drop off:

Please drop off and pick up your child **on time**. Drop-off, pick-up, and check-in will happen near the big parking lot in the fields. For the safety of all campers, please **do not drive** past the tables unless you require handicapped parking or have made arrangements with the staff.

Directions:

We are located at 7026 South Billings Boulevard, ¼ mile south of I-90 and on the same access road as the Norm's Island trailhead. **Turn right** after the Montana Audubon Center sign into our main parking lot. Check-in is in the field.

Health and Safety

Participants **may not** attend programming if:

- They have a positive COVID-19 test.
- (Check any changes in COVID-19 protocols for Yellowstone County.) We will do our best to notify you of any changes.
- Their temperature is 100 degrees or greater.
- They are exhibiting other symptoms of COVID-19 including: fever, chills, new onset cough, body/muscle aches, fatigue, loss of taste/smell, vomiting, diarrhea, new onset runny nose, and sore throat.
