

Audubon Wildlife Fund Grant Application Form

Instructions

Please fill out this form, limited to no more than 2 pages. Individual categories can be expanded/reduced but the overall application form should be 2 pages total (excluding supplementary attachments). Email the completed application and any supplementary attachments to info@mtaudubon.org by **Wednesday, January 15, 2025**.

Applicant Information

Name	Date of application
E-mail	School/Organizational Affiliation (if applicable)
Phone	
Address	Faculty Advisor (required for students)
City, State, Zip	

Project Information

Project title (if applicable):

Please provide a brief description of the project:

Is this part of an existing or long-term project? (If yes, please provide a short description)

Project Information *continued*

How will you accomplish your project? (For example, for a research project what methods will you use?)

What are the expected final products or outcomes?

What is the project timeline? When will you start, and when do you expect the project to be completed?

Budget

Total project budget:

How much are you requesting from the Audubon Wildlife Fund?

What aspect(s)* of your project will this grant help fund?

Amount requested from other funding sources:

Have you secured all other funding sources?

Yes No

If no, when will you know if the project is a “go”?
(please explain):

Previous funding

Have you or your organization received an Audubon Wildlife Fund grant in the past?

Yes No

If yes, please give a short description of the grant project, when it was funded, and if the project was completed.

Acknowledgement

Will Montana Audubon be acknowledged for this grant? If so, how?

*Eligible uses of the funds include costs such as mileage, supplies, equipment for schools/nonprofit organizations, and printing. Ineligible uses include salaries, stipends, per diem, and personal equipment. Please contact info@mtaudubon.org with any questions.
